The Hocking County Children's Chorus (HCCC) has provided a wonderful artistic experience for local young singers for the past 40 years. A United Way Agency, it is open to **ALL children of Hocking County in grades 2 - 12.**

In addition to performing several concerts each year and riding in local parades around our community, the HCCC presents an exciting musical theater production, performed at the Logan High School Theatre.

Choristers acquire musical skills, experience the joy of singing, develop confidence, and become a vital part of a musical team. The children are also introduced to the basics of acting, choreography, and theater.
