The Hocking County Children's Chorus (HCCC) has provided a wonderful artistic experience for local young singers for 45 years. A United Way Agency, the HCCC is open to children of ALL abilities in Hocking County in grades 1 - 12.

In addition to performing several concerts each year and riding in local parades around our community, the HCCC presents an exciting musical theater production, performed at the Logan High School Theatre and travels to sing the National Anthem each year for the Columbus Clippers.

Choristers acquire musical skills, experience the joy of singing, develop confidence, and become a vital part of a musical team. The children are also introduced to the basics of acting, dance, and theater.
